Community Updates

Westchester Owners Committee June Meeting

The next meeting is scheduled for 6pm Tuesday, June 20th at the residence of Richard Smith: 14702 River Forest.

Recognize Your Alternate Routes

Memorial Drive reconstruction efforts will be moving into the Dairy Ashford intersection this month. Construction from Kirkwood to HEB should be completed, but the wastewater lift station construction just south of the bayou on Dairy Ashford is expected to continue throughout the month. Expect the traffic at Memorial and Eldridge to be alleviated.

Constable's Report

Constables have reported an increase in Burglary of a Motor Vehicle (BMV) cases this past month in the Energy Corridor and surrounding neighborhoods. Remember to lock your vehicle doors at night and do not leave valuables in plain site. Most residential BMVs were due to vehicles left unlocked. See page 2 for Vacation Watch Requests.

Westchester Tennis

This summer there will be social mix doubles on Saturday mornings. Contact Jim Brenneke for more information at 281-589-8913 or jimbrenneke@yahoo.com. Ladies doubles on Thursday's at 8:30 am. Contact Ming Su at 713-854-5611 or sumjs@yahoo.com.

Please Drive Slow

With all the traffic issues surrounding the Westchester area this summer, our driving times are bound to be impacted. Remember to Drive Slow in the neighborhood and be an example to those who may be cutting through ours and surrounding neighborhoods to bypass construction. Be aware of joggers, walkers, bikers, and especially our kids!

Lawn and Garden Waste

Per the ACC Guidelines, “[Lawn Bags] shall be placed at the curb for collection no earlier than the evening prior to the day of collection and shall be removed from the curb on the day of collection.” Please follow the rules to help in keeping our streets clean and beautiful!

Vacation Watch Requests

Harris County Constable Precinct 5 encourages us to use their online form to submit Vacation Watch Requests this summer. Deputies that patrol our area will be notified of the request and will keep an eye on your home as they patrol the area.

If you prefer, you may call their Communications Division at 281-463-6666. Remember to lock all your doors and windows before leaving and if you plan to lock gates to your backyard, consider providing information to deputies that would allow them access if needed.
