RAP Communications

RAP Newsletters are distributed each month by email and posted to the www.WestchesterHouston.org website. Currently, they are also delivered door-to-door to those residents who have not requested email delivery. This door-to-door distribution is required by the By-Laws of the Westchester Owners Committee.

The board will be seeking votes from Westchester residents at the January 2019 Annual Meeting to no longer require door-to-door delivery of printed RAP newsletters. This would significantly save costs on monthly printing. Further information regarding the vote will be forthcoming.

Architectural Control Committee – Modification Request Form

If you are planning exterior modifications to your home, please remember to submit a Modification Request Form to our Architectural Control Committee members: Natasha Stearns (nlkstearns@gmail.com), Joe Smith (jvsmith2@swbell.net) and Russ Gray (drussgray@yahoo.com).

The Modification Request Form is available on our website under Deed Restrictions or Forms & Documents: <http://www.westchesterhouston.org>.

Please also remove any political signs remaining from the recent political elections.

Trash & Recycling

Reminder that our trash and recycling vendor, Texas Pride, will not open gates for trash pickup. Please be sure to make your trash visible at the end of your driveway and easily accessible.

Heavy trash and yard waste (grass clippings, leaves, etc.) must be placed curbside.

If you have any questions regarding trash pickup, please contact Ryan Bickley by email at rbickley@gmail.com.

Cyclamen – A Wonderful Addition to Cool Weather Gardens!

This plant does best in partial shade and average to evenly moist conditions, but will not tolerate standing water. Cyclamen is a fine choice for the winter garden, but it is also a good selection for planting in outdoor pots and containers. It is often used as a 'filler' in the 'spiller-thriller-filler' container combination, providing a mass of flowers against which the larger thriller plants stand out.
