### Board Meeting Notifications from Crest Management

If you haven't already, please be sure to follow the instructions posted to our website homepage ([www.WestchesterHouston.org](http://www.WestchesterHouston.org)) for receiving board notifications from our management company. Monthly board meeting notifications, special notices and future RAP newsletter communications will be distributed to those who have registered with Crest Management.

RAP Newsletters are distributed each month by email and posted to the [www.WestchesterHouston.org](http://www.WestchesterHouston.org) website. Currently, they are also delivered door-to-door to those residents who have not requested email delivery. This door-to-door distribution is required by the By-Laws of the Westchester Owners Committee.

The board will be seeking votes from Westchester residents at the January 2019 Annual Meeting to no longer require door-to-door delivery of printed RAP newsletters. This would significantly save costs on monthly printing. Further information regarding the vote will be forthcoming in the Annual Meeting Notice from Crest Management.

### Holiday Lighting Recognitions (December 20-21, 2018)

We are fast approaching the holiday season! Through the efforts of so many of our residents, our neighborhood becomes a winter wonderland of lights at this time of year. Although it is an extremely difficult task to decide between all of the many possibilities, in the spirit of fun we will be choosing three of the best to recognize.

We try to include a variety of styles in this endeavor and to give some priority to homes that haven't been recognized in the recent past. We will be out viewing lights this year on **December 20<sup>th</sup> or 21<sup>st</sup> sometime after 6:00 pm**, so please be sure your lights are turned on then. We look forward to another year in which the beauty and community feeling of our neighborhood is enhanced through the shared gifts of holiday lights!
